

eOPM Smart Phone Application Software *Proposed Smart Phone Application Software*

Prepared For: Samarasinghe Motors.

Prepared By: Modular4 Solutions (Pvt) Ltd.

Description

Order Placement Software is a comprehensive, user-friendly package consisting of the following components:

Order Place (Mobile)

Cheque Collection (Mobile)

Cash Collection (Mobile)

This has been designed for ease-of-use, being menu-driven with consistent structures across all of the integrated applications. The database provides shared access to the information while ensuring complete integrity of the data.

Project Purpose and Business Problem

mOPM software should provide users with an online environment within which Sales Officers can Place Their Order, Collect Outstanding, Introduce New Customers via Smart Phone. And improve efficiency and Productivity. *mOPM* Smart Phone software offers the chance the customers to View their outstanding online 24/7.

Feature List

Please Refer Annexure I

Assumption and Constraints

1. We assume that the SMS has established their own connectivity for each branch with 24/7
2. Provided Devices are well Tested with Accuracy and Efficiency

Implementation Plan

High Level Project Plan

Develop Encrypted HTTPS Transporter	10Days
Application Development	20 Days
Integrating and Test Run in Actual Device	10Days
Parallel and Test Run	5Days

Software Agreement

The Software Agreement to be signed with “Modular4 Solutions (Pvt) Ltd.”

Software Warranty

This software solution carries a warranty period of One (01) Year from the date of User acceptance test (UAT).

Software Maintenance

Maintenance services shall be provided under a maintenance agreement to be signed after the warranty period expires. The standard annual maintenance charges would be eighteen percent (18%) on the product price plus the subsequent cost of modifications.

Software Maintenance

Upfront 100% maintenance fees for a period of one year at the signing of the maintenance contract.

During such annual maintenance MODULAR4 shall rectify all software related faults, defects and malfunctions free of charge.

Additional Software Modifications

All additional software modification charges will be quoted after a detailed system study. The development of the modifications would begin once a written confirmation is given by the client.

Modification Charges

50% - on confirmation of the quotation

50% - on implementation of the modifications

Updates/New Modules

Customers under maintenance service agreement are entitled to free Application Updates within the same version, database, operating system, and application language (subject to application customizations done at the client's site) of the modules purchased.

Other additional/new modules/new version upgrades would be available at a very special discounted price to your company.

Purchase Order & the Payments

Purchase Order and the payments to be issued to "Modular4 Solutions (Pvt) Ltd."
